Approval of Minutes

Old Business:

A brief review of the Committee's past actions regarding Communities For A Lifetime was given by Dotty Bellefleur. A major ongoing question/problem: "How do we reach seniors who cannot get to the Multipurpose Senior Center?" to give them needed information.

It was suggested that Dotty make this part of her report to Council; that Dotty contact Leslie DeMuth to find out if it is legal to use the voter registration roll to find seniors in Gulfport; find out if we can put literature for seniors in the local schools and churches.

It was suggested that we invite "Gulfport Neighbors" to our next meeting to discuss dissemination of information for assistance to needy seniors.

New Business

Gail discussed the Fall Schedule for the Senior Center. Events that will need volunteers were noted. Several Board members volunteered for several of the events.

The upcoming luncheon to honor Reassurance volunteers and the seniors served was discussed. Locations were suggested.
