COMMUNITY DEVELOPMENT

Building Division staff tries to take special time to work with homeowners embarking on do-it-yourself projects. Whether it's deferred maintenance or new improvements, due to hard economic times many are electing to do these projects themselves. Before beginning home improvement projects give us a call at 893-1024 to discuss plans and inspections that may be necessary, to explain code requirements and help you through the process.

Code Enforcement activities continue in Section 3 of the City, also known as the Southwest Neighborhood Area which generally extends south from Gulfport Boulevard to the water and west from 58th & 59th Streets to the City Limits.

High grass and weeds, and trash and debris make up the largest types of violations that staff deals with during the summer season. Because there is only one inspector who focuses on one section of the City at a time, we depend on residents to call in violations when they see them. We will inspect within one working day of a complaint to verify any violation. Please call (727) 893-1061 to report violations. If the inspector is unavailable, leave as detailed a message as possible to help us find the violation. Complaints can be anonymous, but if you want a follow-up you will have to leave contact information which means the complaint is no longer anonymous.

While often times a knock on the door or letter to an off-season property owner will take care of a violation, there are times when it takes a while to gain compliance. Staff has to make every effort to contact the property owner. With so many foreclosures and short sales in our present economy, this can become difficult and can take time. Just because nothing may appear to be happening, doesn't mean the City is unaware of, or ignoring a violation. Life/safety issues are abated as quickly as possible, depending on the extent of the problem. If a property owner cannot be found, the City will attempt abatement to alleviate any immediate problems. If you have questions about a property, give us a call at 893-1061.

To review the Code Enforcement Activities documents for more detailed information and a map of the Code Enforcement areas please visit the Special Documents section of the City's website at www.mygulfport.us.

Traffic crashes	2
Traffic citations	15
Hit and run incidents	3

Undercover officers from SPPD were following a known burglar on January 5, when they observed him breaking into a house in the 3000 block of 52nd Street. They followed him to a pawn shop where he tried to sell stolen jewelry. Kevin Grasmick was arrested, and GPD officers will be looking at other cases to see if he may have been involved.

On the afternoon of January 5 a caller reported that his vacant home in the 4400 block of 27th Avenue was burglarized. A lawn mower was stolen and it appeared that the suspects attempted to steal copper wire attached to the A/C unit. An old VCR that did not belong to the victim was found in the yard. It is unknown when the burglary occurred as the victim does not check the home regularly.

On January 6, a resident in the 700 block of 60th Street reported that his .38 caliber revolver was missing. He believes it was stolen from his garage.

Officers took a report on January 9 regarding damage to the fence at Tomlinson Park playground. Video surveillance equipment will be installed at this location.
