

2018 STRAWLESS SUMMER CHALLENGE

We are participating in the City of Gulfport's 2018 Strawless Summer Challenge!

By choosing to lessen the amount of plastic straws our establishment uses, we are doing our part to reduce plastic waste that ultimately ends up in landfills, rivers and waterways, harming wildlife and humans alike.

Call (727) 893-1118 or email kossola@mygulfport.us for more information or to enroll in the 2018 Strawless Summer Challenge.

We appreciate your support in this City of Gulfport eco-friendly initiative!
