The Gulfport Multipurpose Senior Center actively seeks to support independence and increase quality of life of its participants by encouraging involvement in programs and activities that promote health, welfare, safety, and dignity.

Volunteer Spotlight Anita Carson

Anita was in National Accounts/Sales and has lived in CA, VA, OK, TX, OR, Germany, & now here in FL. She has helped the Center out with many activities but currently holds a regular weekly volunteer position in the Fitness Center. "Every day I volunteer is a day of giving back." Anita enjoys bringing a smile to the lives of others and claims that the Senior Center is "one of the best places for improving people's lives." One of Anita's favorite memories while volunteering here is the opening of the newly renovated fitness center back in late 2016. When she is not helping out at the center, Anita enjoys kayaking, art walks, beach time, spending time with friends and getting to know new people, and mostly being retired!

Thank you Anita for making a difference at the Gulfport Senior Center.
