

INTERNATIONAL COASTAL CLEAN UP

CLAM BAYOU NATURE PARK

Keep Pinellas Beautiful, Ocean Conservancy and the City of Gulfport are proud to present the 2018 International Coastal Cleanup at the Clam Bayou Nature Park!

Please join us as we partner up for a rewarding day of community improvement, engagement, and beautification.

Through these efforts we hope to eliminate the impact of marine and terrestrial debris within our Pinellas County ecosystems. The millions of tons of trash that enter the ocean each year entangles wildlife, pollutes beaches and consumes taxpayer money.

We need your help to put a stop to it!
