Examples of arrests or significant incidents or calls this week:

A resident in the 5600 block of Newton Avenue reported on February 21 that someone entered her unlocked car but nothing was taken.

Small change, vehicle registration documents and a case of soda were reported stolen from two unlocked cars parked in the 800 block of 53rd Street. The owner believes that a set of car keys was left inside one of the vehicles.

Jumper cables and a set of house & car keys were reported stolen from an unlocked car parked in the 700 block of Gray Street

A juvenile was arrested and taken to the Pinellas County Juvenile Assessment Center after officers were dispatched to the 1000 block of Gray Street following a report the teen struck his mother on the face.

Thomas Sullivan was arrested for driving while license suspended and probation violation on February 22 following a traffic stop in the 5400 block of Gulfport Boulevard for speeding.

A resident in the 5100 block of 16th Avenue reported that someone stole a credit card from their mailbox and used at a nearby location. The card was possibly taken sometime on February 15, and used at a Publix ATM in St. Petersburg in the early morning hours of February 26.

A driver license and debit card were reported stolen from an unlocked car parked in the 5400 block of 9th Avenue. The debit card was used at a local business later the same day.

A resident in the 2600 block of Upton Street reported on February 23 that his vehicle was stolen, and he found it down the street. Video from a nearby residence shows the car being taken at approximately 3 a.m., and abandoned after striking a mailbox.

A resident in the 5100 block of 9th Avenue reported that his wallet was stolen and his debit card was used to make a purchase.

While investigating an unrelated call in the 1300 block of Gray Street on February 24, an officer observed a Gulfport Neighborhood Watch sign removed from the ground and damaged, and determine that Joshua Schamaun was responsible. He was given a referral to the Adult Pre Arrest Diversion program (APAD), however when he reported to the program, he refused to admit guilt.

Chief Vincent observed a plumbing van parked between two “no parking” signs in the 5400 block of Essex Avenue on February 25. When pulled alongside to ask the driver to move he could see the him lighting and using what was later determined to be marijuana. Since all of the substance had been burned and the driver had no criminal history, he was not charged. He was issued a parking citation, and the owner of the plumbing company was notified.

A business owner in the 5500 block of Shore Boulevard reported that someone opened a Verizon Wireless account using the business information, and purchased a phone and multiple lines.

OnStar located a vehicle stolen from Gulfport, parked in a backyard in St Petersburg. Several items found inside are not believed to belong to the victim.

An employee of a business in the 5400 block of Shore Boulevard reported on February 26 that a customer left the bar the night before without paying his tab. He claimed to have money in his car, but returned and said his girlfriend would pay for him. He left his ID behind but nobody returned to pay the bill.

The marine unit was on the water for approximately 10 hours this week, making contact with 10 boaters, stopping 3 vessels, and assisting with the removal of a sailboat that drifted into the mooring field. Sergeant Burkhardt also took a Citizens’ Academy participant on a ride-along.

Officer Mills conducted investigations regarding drug paraphernalia to be destroyed; recording another student in a private setting without permission, and; two school fights. Another school fight was broken up, but the students were not charged because they listened to police commands to stop fighting.

Officer Embry assisted SPPD in locating an armed burglary suspect; investigated a battery case and will forward charges to the State Attorney’s Office, and; escorted a trespasser off campus.

Officer Sigsbee counseled two students having an ongoing conflict in school. They agreed that they were not going to get along, and would attempt to avoid each other during school. He also met with teachers regarding sending birthday cards to a World War II veteran who was turning 100. Several teachers participated and turned the cards into a lesson for the students.

COMMUNITY DEVELOPMENT

Building Division

Before embarking on home improvement projects give us a call at 893-1024 to discuss your plans and see what permits and inspections may be necessary, and code requirements to help you through the process. Whether it's deferred maintenance or new improvements, many elect to do these projects themselves. Building Division staff tries to take extra time to work with homeowners embarking on these do-it-yourself (DIY) projects.

On anything other than small and simple DIY projects we recommend homeowners consider using a licensed contractor. Unless you are very handy and have the necessary skills to take on more complex construction projects, larger jobs can quickly overwhelm those less skilled in construction practices and management.

Don't take chances with unlicensed contractors

Pinellas County Construction Licensing Board helps guide homeowners in hiring a licensed contractor for home improvements

Hiring an unlicensed contractor can put residents' homes in jeopardy, produce safety hazards and cost extra money to homeowners when work is not done correctly.

The function of the Pinellas County Construction Licensing Board is to regulate construction and home improvement contractors practicing in all Pinellas jurisdictions.

The licensing board can tell you if a contractor has a license. They must be licensed by the board or the state of Florida Department of Business and Professional Regulation and be registered with the board. Licensed contractors have passed a competency exam and perform electrical, plumbing or structural work in compliance with the building codes.

The state requires licensed contractors to have workers' compensation and liability insurance and the board monitors their insurance coverage. Without these, if a worker gets injured on the job or damages property, the homeowner is liable. Many insurance policies will not pay claims if an unlicensed contractor was doing the work.

WHEN SELECTING A CONTRACTOR, REMEMBER:

- Talk to friends and neighbors for recommendations.
- Home improvement contractors of various skills must be licensed with the Pinellas County Construction Licensing Board. The license number must be displayed on advertising as well as on contracts. You can verify a contractor's license number and check any complaints by contacting the Pinellas County Construction Licensing Board at 582-3100.
- Check with the Department of Justice and Consumer Services at 464-6200 to determine the number of complaints against a business.
- Ask the contractor for references and follow through with verifying them.
- Ask the contractor for proof of insurance.
- Never deal with anyone who solicits or appears at your home unannounced.
- Obtain a minimum of two bids for the work to be done.

WHEN SIGNING A CONTRACT, MAKE SURE:

- All work should be specifically stated in the contract.
- An approximate starting and completion date should be included.
- All warranties including labor and materials should be addressed.
- A payment schedule should be contained in the contract.

- Do not give a large deposit before the beginning of work and do not pay the balance until completion.
- A three-day right to cancel rarely applies to home improvement contracts.
- Do not sign a blank contract or one containing blank spaces.
- Watch for non-refundable deposits and non-escrow accounts. In new home construction, part of the purchase price must be escrowed (this can be waived).

For more information call the board at 582-3100 or visit www.pcclb.com.

Business Tax Receipts

A Business License is good from October of the current year through September 30 of the following year. For questions regarding business tax receipts, call Lisa Giddens at 893-1063.

Thinking of starting a new business? Check out the City's website for the "City of Gulfport New Business Checklist" at www.mygulfport.us under the Community Development Building Department tab in the Information & Regulations section. Call Lisa Giddens at 893-1063 for more information.

Call the Small Business Development Center at Pinellas County Economic Development at 464-7332 or visit www.pced.org/entrepreneurs for information, including a number of workshops on starting a new business. They also offer personalized business consulting to help you become successful with your startup business.

Code Enforcement activities continued this week in Section 3 of the City, also referred to as the Southwest Neighborhood area which generally extends south from Gulfport Boulevard to the water and west from 58th Street & 59th Streets to the City limits.

Because the City has one inspector who focuses on one section at a time, we depend on residents to call in violations when they see them. We will inspect within one working day of a complaint to verify any violation. Please call 893-1061 if you see violations. If the inspector is unavailable, leave as detailed a message as possible to help us find the violation. Complaints can be anonymous, but if you want a follow-up you will have to leave contact information which means the complaint is no longer anonymous. Any personal information you provide becomes part of the public record, which any other citizen has the right to review. E-mail correspondence is considered a public record. If you wish to make a complaint using e-mail such communications are not anonymous.

Beginning in March Code Enforcement activities will move to Section 4 of the City, also referred to as the Art District which extends south from Gulfport Boulevard to the water and east from 49th Street South to 58th & 59th Streets South. To review Code Enforcement activities documents for more detailed information and a map of Code Enforcement areas visit the Special Documents section at www.mygulfport.us.
